PROFESSIONAL SUMMARY

Artificial Intelligence undergraduate with foundational knowledge of programming, computer vision, and AI technologies, complemented by leadership experience in technical event management and marketing. Developed a Hand Gesture Control for Desktop application using computer vision techniques and actively contributed to the institution in large-scale technical events. Strong communicator and team player with a proactive learning mindset and interest in applying AI to solve real-world problems.

EDUCATION

Bachelor of Technology (B.Tech) in Artificial Intelligence — 3rd Year

St. Vincent Pallotti College of Engineering and Technology, Nagpur

Higher Secondary Education (12th Grade) — 67%

Babananak Sindhi Hindi Junior College, Nagpur

Secondary Education (10th Grade) — 90%

Tejswini Vidya Mandir High School Convent, Nagpur

EXPERIENCE

Volunteer

Agresar Foundation NGO | July 2023 – Present

- Supported various social initiatives and community projects consistently over 3+ years.
- Participated actively in organizing large-scale events and outreach programs for underserved communities

Event Coordinator | BeatBots – Technical Event

St. Vincent Pallotti College of Engineering and Technology

- Successfully coordinated an institute-level technical event focused on Generative AI and music production.
- Managed logistics, scheduling, and participant coordination to ensure smooth and seamless execution.

Core Sponsorship Team | Insight 2K25 – Cultural Fest

St. Vincent Pallotti College of Engineering and Technology

- Secured sponsorships worth 2+ Lakhs for Insight 2K25, the largest cultural fest at St. Vincent Pallotti College.
- Pitched to and negotiated with multiple sponsors, demonstrating strong communication and persuasion skills.

Team Lead | Be-eke-Be – State-Level Table Recitation Competition

Agresar Foundation

- Co-led a team of 50+ volunteers to organize the Be-eke-Be competition hosted on National Mathematics Day (22nd December).
- Oversaw volunteer coordination, task delegation, and on-ground execution for a state-level audience.
- Recognized as **Best Volunteer Awardee 2025** for outstanding contribution and leadership.

Promotions & Marketing Head | AI Verse 2025 – Technical Event

St. Vincent Pallotti College of Engineering and Technology

- Led end-to-end promotions and marketing strategy for AI Verse 2025, a flagship technical event at St. Vincent Pallotti College.
- Designed and executed multi-channel outreach campaigns across social media, posters, and campus networks to maximize event visibility and participation.
- Coordinated with organizing teams to align promotional content with event objectives, resulting in highest student enrollment among other concurrent institutional events.

PROJECTS

Hand Gesture Control for Desktop

Personal Project

- Developed a hand gesture recognition system enabling touchless desktop control using a webcam and computer vision.
- Leveraged Python, OpenCV, and MediaPipe to detect and classify hand gestures in real time with high accuracy.
- Mapped recognized gestures to system actions (cursor movement, clicks, scrolling), showcasing applied AI in

human-computer interaction.
